Patient Comments:

I was totally impressed with NMASC. The facility is beautiful, clean, and welcoming. The staff couldn't have been any nicer and caring. Great place if you're in need of surgical services!

All Nurses were very friendly and helpful. I wouldn't be where I'm at today without the help and doctoring by Dr. Kourtney Kemp. I Thank Her!!

The facility itself was very nice. The people? They are fantastic. I wish that I could remember names so that I could speak positively. They were all professional, kind, and respectful. Each and every one of them were the most friendly of people. Thanks for a great experience.

I wouldn't want to go anywhere else. The staff is responsive, caring & thorough. Thank you!
